

## Pacific Basin Nuclear Conference 2020

### *“Nuclear Energy a Driver for Sustainability”*

#### *Call for Papers*

The Mexican Nuclear Society (SNM) is pleased to host the Pacific Basin Nuclear Conference 2020 and technical exhibition under the auspices of the Pacific Nuclear Council. The conference will be held in the Hotel Marriot Cancun from April 26<sup>th</sup> to April 30<sup>th</sup> in Cancun, Mexico.

In a sustainability world, efficiency plays a very important role to care about world resources and its adequate use; therefore the theme of the conference is *“Nuclear Energy a Driver for Sustainability”*.

Papers are solicited in the following topics:

1. *Safety and security*
2. *Operations and maintenance*
3. *New builds*
4. *Waste management, spent fuel, decommissioning*
5. *Supply capability and quality control*
6. *Fuel cycles*
7. *Advanced reactors and applications*
8. *Public acceptance and education*
9. *Economics*
10. *Medical and biological applications*

The conference website is [www.pbnc-2020.mx](http://www.pbnc-2020.mx), there you will find the paper template and this is the place to submit your paper.

Important Dates:

Deadlines

Paper submission: October 15, 2019

Revised Paper: November 30, 2019

Final Paper: January 31, 2020.
