

# ICONE-31 Call for Papers

---

## 24/7 Clean Nuclear Energy - Solution for Global Warming

[Submit Abstract →](#)

ASME's [ICONE 31](#) conference is now accepting papers for next year's conference. This Nuclear Engineering Conference is a global event for professionals who want to stay current on new technology and industry trends and developments in nuclear technology.

You are invited to present your research on Nuclear Plant Engineering, Advanced Reactors, SMMR Technologies and Applications, Thermal-Hydraulics, Risk Informed Management and many more topics.

Are you a student? Be sure to submit to the student competition and take advantage of the mentorship and opportunities at the conference.

Take this opportunity to engage with your research community and advance your career.
