Official Supporter:

Chairman's Message

On behalf of the Society of Petroleum Engineers (SPE), the International Association of Drilling Contractors (IADC), and the Programme Committee, I am pleased to invite you to the IADC/SPE Asia Pacific Drilling Technology Conference, which will be held in Singapore from the 22-24 of August 2016.

Since 1996, the conference has established itself as Asia Pacific's leading drilling event and we are confident that the strategic location of Singapore will lead to a truly regional event with high level support from the region's operators, international participants and both local and international service providers, drilling contractors and investors.

The theme of the conference is "Creating Value in Transforming Times". Since 2014, the industry has evolved significantly with new challenges requiring innovative approaches in applying technology to achieve cost and operational efficiencies, sustainability and stakeholder expectations. This new

imperative calls for transformation across every aspect of how the industry engages externally and operates internally. Given the changes and commercial realities, a fit for purpose set of tools, systems, models and capabilities can further realise cost efficiencies throughout the value and supply chains. This conference will address the approaches, challenges, successes and the future direction for new growth opportunities in this dynamic environment.

As the 2016 Official Supporter, SapuraKencana Drilling, part of SapuraKencana Petroleum Group, welcomes your company to Singapore, to learn more about these opportunities first-hand and to meet with the region's industry leaders. The conference will provide a vibrant platform for knowledge transfer and networking, and we offer your organisation the opportunity to participate as an exhibitor, or to subscribe to one or more of the sponsorship opportunities outlined in this brochure.

We thank you in advance for your participation in, and your generous support of, the IADC/SPE Asia Pacific Drilling Technology Conference for 2016 in Singapore.

Yours sincerely.

SPE Exhibit Regulations

IADC/SPE Asia Pacific Drilling Technology Conference

22-24 August 2016 • Singapore

I CHARACTER OF EXHIBIT

The IADC/SPE Asia Pacific Drilling Technology Conference is undertaken primarily for the technical education of participants. To provide the best possible atmosphere to discuss the technical application of the equipment and services displayed, each exhibitor agrees as follows:

- To exhibit only products of his own manufacture comprising materials, equipment, apparatus, systems, services, and other component products applicable to advancing the engineering and scientific knowledge and development / refining of energy and environmental resources.
- 2. To exhibit such products or services in a tasteful manner so as to describe and depict the advantages of using such products or services. In deference to fellow exhibitors and to the professional people who constitute the exhibit audience, exhibitors are specifically prohibited from employing any carnival-type attraction, animal or human, or from operating such noise-creating devices as bells, horns, or megaphones. Costumed personnel must be appropriately clad and must remain within the exhibitor's booth space except when necessarily arriving and leaving the stand or exhibit area.

NOTE: BALLOONS AND STICKERS ARE PROHIBITED IN THE EXHIBITION AREAS (HANDOUTS WITH GUMMED BACKING THAT ADHERE OR CAUSE ADHESION ARE CONSIDERED STICKERS).

If an exhibitor fails to exhibit in his stand during the above-mentioned exhibition, his contract will be considered null and void. The booth space can be re-allotted, and the exhibitor forfeits any claim to monies paid.

Exhibit space must be manned by a representative during all times when the Exhibition is officially open. Exhibit space must be maintained in a neat and orderly manner throughout the Exhibition, and no dismantling may begin before the official closing time (when the exhibition is officially open).

SPE reserves the right to prohibit any exhibit or part thereof that in their opinion violates this agreement or that is in other ways not suitable to and in keeping with the technical educational character and spirit of the Exhibition.

II EXHIBIT SPACE COSTS AND PAYMENT

- Stand package @ US\$700.00 per square metre
- Space only @ US\$700.00 per square metre

For standard contract, a deposit in the amount of fifty (50) percent of the total cost of exhibit space reserved must accompany the exhibit space reservation contract or upon receipt of invoice. The remaining fifty percent is due on or before 1 April 2016

SPE reserves the right to cancel any stand space(s) for which an invoice remains unpaid 30 days after invoicing.

No exhibitor will be allowed to begin move-in operations until full payment and a duly executed space reservation contract have been received.

III CANCELLATION POLICY

Date of Cancellation

% of Total Exhibit Space Fee Incurred as Service Charge

Before 1 April 2016 On or after 1 April 2016

100%

All charges will be imposed uniformly and will apply whether or not space is resold.

IV SUBLETTING SPACE

No exhibitor shall assign, sublet, or apportion the whole or any part of the space allotted to him, nor exhibit therein, nor permit any other person or party to exhibit therein, any other goods, apparatus, etc., not manufactured or distributed by the exhibitor in the regular course of his business except upon prior written consent of SPE.

V EXHIBITOR SERVICES

To ensure the continuation of a smooth installation, dismantling, and operation during the Exhibition, Official Contractors will be appointed. Exhibitors are urged to obtain required labour and services from SPE Official Contractors.

For a complete list of official contractors and available services, refer to the Exhibitor Services Manual.

VI EXHIBITOR SERVICES MANUAL

Approximately six (6) months prior to the Exhibition, SPE will prepare an Exhibitor Services Manual (ESM), which will be produced electronically and available on the official website. The Exhibitor Services Manual will include information integral to participation at the Exhibition, including, but not limited to additional exhibitor rules and regulations, official contractor order forms, registration, shipping and drayage, utilities and building services, exhibitor display rules, etc.

VII INSTALLATION / DISMANTLING SCHEDULE

Installation of stands may begin from 0800 hours, Sunday, 21 August 2016 (the organiser reserves the right to adjust move-in/move-out timings). ALL EXHIBITS MUST BE INSTALLED BY 1630 hours, Sunday, 21 August 2016. SPE reserves the right to prohibit move-in after that time and to have a display not yet erected completed by the show contractor at the exhibitor's expense.

Dismantling schedule will begin at 1430 hours and to be completed by 2000 hours, Wednesday, 24 August 2016.

VIII EXHIBITOR REGISTRATION

Exhibitors will be mailed a special package for advance registration, and accommodation information at a later date.

IX FIRE REGULATIONS

The regulations of the Sands Expo and Convention Centre must be followed, and all exhibits may be subject to fire department inspection.

X INSURANCE

Exhibitors are reminded of the need to consult their insurance companies or brokers to cover themselves fully against all risks at the event. Particular attention is drawn to the need for all risks, abandonment insurance, stand fixtures and fittings insurance, and public liability insurance.

GENERAL CONDITIONS The organisers shall be responsible for the control of the exhibit areas. Exhibitors are responsible for the supervision of their stands. The decision of the organisers is final and decisive on any questions not covered in the foregoing terms and conditions.

Exhibitors must comply in all respects with the requirements of every appropriate authority, with the terms of agreement by which the organiser may occupy the premises, and the policies of insurance effected by the organisers of the event.

Sponsorship Opportunities

All sponsorships will be acknowledged in the Conference Preview (for sponsorships received before 29 January 2016) and in the Conference Programme (for sponsorships received before 3 June 2016).

Sponsorship Opportunities have been designed to offer maximum exposure and visibility for organisations in the oil and gas industry. For a cost effective method to strengthen your brand identity and enhance your company's image at the conference, we offer a variety of sponsorship items.

We appreciate your generous support and request that you confirm your preferred sponsorship package as soon as possible.

Sponsorship items are limited and available on a first-come, first-served basis.

Society of Petroleum Engineers

The Society of Petroleum Engineers (SPE) is a not-for-profit organisation. Income from this event will be invested back into SPE to support many other Society programmes. When you attend an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. Scholarships, certification, the Distinguished Lecturer programme, and SPE's energy education programme Energy4me are just a few examples of programmes that are supported by SPE.

The International Association of Drilling Contractors (IADC) is dedicated to enhancing the interests of oil and gas and geothermal drilling contractors worldwide. IADC's contract-drilling members own most of the world's land and offshore drilling units and drill the vast majority of the wells that produce the planet's oil and gas. IADC's membership also includes oil and gas producers, and manufacturers and suppliers of oilfield equipment and services. Founded in 1940, IADC strives to secure practices, legislation responsible standards. regulations that provide for safe, efficient and environmentally sound drilling operations worldwide. IADC holds Accredited Observer status at the International Maritime Organization and the International Seabed Federation, branches of the United Nations. The Association is a leader in developing standards for industry training, notably its well control training and assessment program, WellSharp®, and rig-floor orientation program, RigPass®. IADC is headquartered in Houston, with offices in Washington D.C., the United Kingdom, the Netherlands and the Middle East, as well as chapters in the UK. Venezuela. Brazil. Australasia. South Central Asia. Southeast Asia, the Middle East and across the United States. For more information, visit the IADC website at www.iadc.org.
